## **Directions to George Washington Memorial Parkway Headquarters at Turkey Run Park**

### **From Capital Beltway (I-495):**

Take exit #43 for the George Washington Memorial Parkway (don't follow signs for Georgetown Pike). Once on GWMP get into the far left lane and travel approximately 1.2 miles. You will see a sign (on the right side of the road) that says Parkway Headquarters next left. Take this exit. Please note that this exit has an extremely short deceleration lane. So watch your speed!!! Find a spot in the parking lot outside the chain link fence.

Walk through the fence turn right at the stop sign. Follow the road to the next stop sign and turn right. You will see a modular building. This is where the meeting is.

### **From Washington DC**

Take the Theodore Roosevelt Bridge to the Northbound GWMP. Follow the parkway for approximately 6-8 miles and turn right into the parkway headquarters. If you miss the turn, take the exit for Turkey Run Park and follow signs for Washington DC. Once back on the parkway, take left exit into the parkway headquarters lot. Find a spot in the parking lot outside the chain link fence.

Walk through the fence turn right at the stop sign. Follow the road to the next stop sign and turn right. You will see a modular building. This is where the meeting is.

Please note that the National Park Service now shares this headquarters compound with US Park Police and parking is at a premium. Carpooling is strongly recommended!
